Current requests for assistance from parents:

From time to time, the Committee will ask for assistance from the cadet parents and their contacts, and at this time we need the following help.

Business Contacts

Anyone working in the following businesses, please contact us to discuss how you can help us or help connect us with the right people.

- Public accountancy firm
- Signwriting or Printing business
- Hospitality business, in particular the supply of catering materials such as tablecloths and napkins

Raffle Prizes

For our August raffle, we are appealing to any businesses, or supporters who can donate an awesome prize for us to include in the prize pool. We are looking for either physical items, vouchers, or experiences with a minimum value of \$50.00. Please contact us by email with any prizes you can donate by 12th July 2020.

Potential Fundraiser

Firewood supply – anyone who has, or knows someone, with a farm or lifestyle block that is due to have trees felled, to allow us access to the wood to use for fundraising.

Please contact us on the committee@5squadron.org.nz if you can help out in any of these areas. Remember we are a not for profit organization, and we rely on volunteers and community support to be able to continue to fund this organisation for your child.

Thank you
